

Connecticut Paramedics

January 30, 2025

We're excited to offer you a unique opportunity to enhance your neonatal care skills! Thanks to a generous grant from the CT Health Care Coalition and in partnership with CT EMS-C, Connecticut Children's is providing FREE Advanced Neonatal Resuscitation Program (NRP) training for 60 paramedics working in Connecticut.

Who's Eligible?

This initiative will provide this specialized training to 12 paramedics for each of Connecticut's five EMS regions, enhancing neonatal resuscitation skills and expanding critical care capabilities across the state upon completion.

Training Format: Blended learning approach with two parts:

Online Learning (Part 1):

Complete several hours of online education, testing and case-based simulations developed by the American Academy of Pediatrics and the American Heart Association.

In-Person Simulation (Part 2):

Attend a 5-hour, hands-on session with in-person scenario testing led by neonatal resuscitation experts from Connecticut Children's.

Certification: After completing both parts, you will receive an Advanced NRP certification that is valid for two years and 12 CAPCE credits.

Class Information: Class Times will be 9 AM to 1 PM

Region 1: Trumbull EMS, 250 Middlebrook Ave, Trumbull, CT. 06611 **Class Date: May 29, 2025**

Region 2: Madison Ambulance Association, 9 Old Rte 79, Madison, CT 06443 **Class Date: April 29, 2025**
